VPSTTT

WHAT IS A PHYSICAL SERVER?

A physical server is dedicated hardware that stores, processes and serves resources for websites, applications, virtualization or internal services.

Owning your server means you control the hardware asset and decide where it lives, the RAID setup, operating system, software and upgrade path.

VPSTTT advises on CPU, RAM, disks and network cards through to data center placement, so you buy the right configuration, no more and no less.

5 models

Dell R620, R630, R640, R6525, Fujitsu RX2530 M4

10 Gbps

Network ports from 1 to 10 Gbps

3 years

Disk warranty; 1 year on servers (by model)

VPSTTT

WHY BUY SERVERS FROM VPSTTT

1

Outstanding performance

Xeon, Xeon Gold and AMD EPYC CPUs, ECC RAM, SSD/NVMe drives.

2

Sized to your needs

We analyze your workload to pick CPU, RAM, disks, RAID and NIC.

3

Modern technology

Virtualization, containers, backup, monitoring and AI/GPU workloads.

4

Clear warranties

Warranty by device, disk and setup; tested before handover.

5

Easy colocation

Host your server in a data center with VPSTTT colocation service.

6

24/7 technical support

Help with selection, deployment and operation of your servers.

VPSTTT

SERVER MODELS AND USE CASES

Dell R620	2 x Xeon E5 2680v2, 160 GB DDR3
Dell R630	2 x 2680v4 / 2696v3 / 2673v4
Dell R640, RX2530 M4	2 x Gold 6133 / Platinum 8163
Dell R6525	2 x AMD EPYC 7452 / 7H12 / 7763
Storage	HDD / SSD / NVMe, onboard RAID
Other servers	Custom configuration

Great for

- Enterprise virtualization
- Storage and backup
- Production web and apps
- AI/GPU and heavy processing
- Large databases and internal systems

VPSTTT

WHY CHOOSE VPSTTT?

Tier III data center infrastructure

Servers hosted in standard data centers with redundant power and cooling.

24/7 technical support

Our engineers are on duty around the clock via hotline, Zalo, Messenger and tickets.

Fast setup, self-service

Order, pay and manage your services directly in the client area.

Clear policies

Transparent service level agreement (SLA), refund and privacy policies.
