VPSTTT

WHAT IS VPS DEBIAN?

VPS Debian is a virtual server set up for fast deployment of Debian 8.7, 9.4, 10, 11 and 12, with its own CPU, RAM, storage and IP and full admin rights.

Debian is a stable, lightweight platform with a careful update process, well suited to web servers, databases, VPNs, DNS, containers and systems that need a small footprint.

At VPSTTT you choose one of four hardware lines: Intel Platinum, AMD EPYC, Ryzen 9 or Intel Gold, and scale resources as your system grows.

Debian 12

Debian 8.7, 9.4, 10, 11 and 12 preinstalled

10 Gbps

Network port, enterprise NVMe storage

24/7

Technical support, regular backups

VPSTTT

VPS DEBIAN HIGHLIGHTS

1

The right Debian version

Images for Debian 8.7 to 12; switch OS before ordering.

2

Lean, consistent APT

Few extras, ideal for servers managed by automated config.

3

Strong for network services

Nginx, databases, DNS, VPN and containers run well on Debian.

4

Stable branch for production

Stability, testing and reproducible setups come first.

5

Enterprise NVMe

Fast reads and writes for web servers, databases and logs.

6

Deployment support

VPSTTT checks image, network and setup; you keep full control.

VPSTTT

CONFIGURATIONS AND USE CASES

CPU lines	Intel Platinum 8272CL, AMD EPYC 7J13, AMD Ryzen 9 9950X, Intel Gold 6144
vCPU / RAM	1–96 vCPU, 1–256 GB RAM
Storage	Enterprise NVMe, 20–500 GB
Network speed	10 Gbps, dedicated IPv4/IPv6
Backups	Twice a week
Operating system	Debian 8.7, 9.4, 10, 11 and 12

Great for

- Stable web servers and databases
- DNS, VPN and reverse proxy
- Docker hosts and backends
- Low-footprint systems
- Standardizing many Linux servers

VPSTTT

WHY CHOOSE VPSTTT?

Tier III data center infrastructure

Servers hosted in standard data centers with redundant power and cooling.

24/7 technical support

Our engineers are on duty around the clock via hotline, Zalo, Messenger and tickets.

Fast setup, self-service

Order, pay and manage your services directly in the client area.

Clear policies

Transparent service level agreement (SLA), refund and privacy policies.
